

**REMARKS/ARGUMENTS**

The Notice of Allowability of the subject application is acknowledged with appreciation.

Upon review of the file of this application subsequent to the Notice of Allowability it was observed that the listing of claims submitted with Appellant's Brief Under 37 C.F.R. §41.37, inadvertently and incorrectly failed to omit the portions of claims 1, 3 and 14 which were deleted in the Amendment filed April 16, 2004.

Accordingly, in the event that the claims presented with the Appellant's Brief would otherwise be used for printing the claims in the Letters Patent, the present paper is being filed in order to clarify the correct language of the allowed claims.

Since there is no change from the claims which were the subject of the appeal (pursuant to the Amendment of April 16, 2004 and the Notice of Appeal filed October 28, 2004) the entry of this Amendment after allowance will not require any undue effort on the part of the Patent and Trademark Office and will not change the scope of the allowed claims.

If there are any questions concerning this Amendment, the Examiner is encouraged to call the undersigned attorney.

Please charge any fees associated with this paper to Deposit Account No. 503-121.

Respectfully submitted,

MAYER BROWN ROWE & MAW LLP
